<u>Mobility information</u>

Internship period:[1]   **Summer internship**   from   till

This options means that you do your internship in summer without missing any significant part of the school year – it basically does not interfere with ARCHIP study plan.

One-semester internship   from   till

This option is meant for those who would like to use one of their study semesters for internship, e.g. because they have to extend their studies due to a failed course or studying abroad.

Graduate internship   from   till

This option is for fresh BA and MA graduates under a few conditions. You have to apply when still a student and you cannot be enrolled in any studies after you graduate.

Internship firm / company (name, address, country, contact person, hourly workload):[2]

ARCHIP undertakes to treat your personal information private and confidential, and to store it in accordance with the EU Regulation 2016/679 known as GDPR (see https://www.archip.eu/school/documents to read our privacy statement) and by the applicable laws of the Czech Republic, in particular the Act No. 101/2000 Coll. By submitting, you agree that the results of your Erasmus+ application will be announced to you via e-mail.

Date: **Signature:**

---

[1] Please indicate exact days, if possible. Minimum length of the internship is 60 days. We recommend maximum of 150 days for the internship. It is possible – in regard to how many students will apply – that ARCHIP will not be able to secure more than 150 days of allowance for you.

[2] This is a firm of your own choosing in an Erasmus+ programme country (EU, EFTA and some other European countries). It is necessary that you contact the firm yourself before applying to see whether they accept trainees.
